Material

1 canvas board 4 x 4 inches (ref 777300)

1 fan paint brush # 6 (ref 951170)

Red mirror effect metal leaf (ref 766546)

Gold mirror effect metal leaf (ref 766549)

ceramic

Black (ref 025014)

PROJECT

Mirror effect
picture

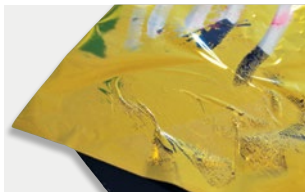

Step 1

Paint the canvas board Black using a fan paint brush.

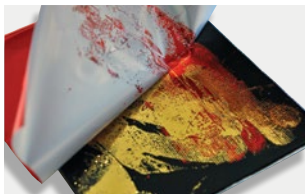

Step 2

Before the paint dries cover with the gold mirror effect metal leaf and gently apply using a finger to obtain the desired design.

Step 3

Start again with step 2 with the red mirror effect metal leaf and allow to dry for approximately 8 hours.

Tip:

If you want to create different designs you can use other types of accessories such as wooden sticks or sponges.
